What is the Education Committee?

The Education Committee assesses and recommends business management, practice management, and leadership education for PPS members. The Education Committee will coordinate with other PPS committees on education initiatives as well as identify educational gaps and avoid content duplication.

How is the Education Committee organized?

The Education Committee is led by a Chair and supported by a staff liaison. The Committee is also supported by a Board liaison who represents the Committee to the Board of Directors.

The Education Committee may choose to establish Task Forces that will review section publications, liaison with the faculty for the “Kick-Starting Your Private Practice: A Day of Interactive Consulting” workshop, and other projects.

The volunteer is typically appointed for a three-year term and may be re-appointed for no more than a total of two consecutive terms of service. Volunteers begin their term at the Annual Conference.

How often does the Education Committee meet?

The Education Committee meets 1-2 times in-person each year. The Education Committee may hold 6 or more conference calls a year at the discretion of the Chair.

Who pays my expenses?

When approved by the Board, expenses incurred at face-to-face meetings will be reimbursed pursuant to the Section’s Financial Policies and Procedures. A reimbursement form with original receipts must be submitted to the office to receive payment.

What are my responsibilities?

Volunteers are expected to attend the Annual Conference.

Other responsibilities include active participation, prompt responses to messages, and the following:

1. Attend face-to-face meetings and any scheduled conference calls.
2. Identify, along with the Chair, the educational needs of the section.

3. Identify educational gaps and avoid content duplication within the Section's educational offerings.
4. Chair a task force for project completion if requested.

What are the qualifications?

- Must be a PPS member in good standing.
- Must be organized and detail-oriented to complete assignments.
- Must maintain a working e-mail address in the PPS member database.
- Must be able to respond to queries promptly.
